Qualified Supervisors and Certified Operators must accumulate 7 Continuing Education Credits (CEC's) in certain core subjects and 1 CEC in **EACH** of the categories in which you are currently licensed except Turf Pest Control and Ornamental Pest Control which require 2 CEC's to maintain your status. Are *yours* up to date?

The Spring Training Conference can earn CEC's in the following categories:

Turf Pest Control (206)	Laws & Regulations-(2 LR)
Ornamental Pest Control (207)	Applicator Safety (AS)
Environmental Protection (EP)	Use of Pesticides (UP)
Pesticides & Their Families (PF)	Public Safety (PS)
Right of Way (109)	Rangeland (107)
Outdoor Vertebrate (302)	Mosquito (110)
Residential/Commercial (304)	

Do your technicians have their **VERIFIABLE TRAINING** as required by the Colorado Department of Agriculture? The Spring Training Conference provides 15 hours of classroom training and instruction for applicator technicians, experienced technicians, sales technicians, and ongoing technicians. A "Training Verification Form" will be awarded at the end of the Conference to those attending. Please instruct those non-licensed attendees to attend the **BASIC** classes offered just for them. **ADVANCED** classes are intended for CEC credits.
